

Play It Loud: Retro Boombox Phone Amp

What we know about sound and how sound travels

What do I know?	What did I learn?

Design notes

Sound amplification	Functional design & fit	Aesthetic

All about my phone

What are my phone's dimensions? Where is the speaker on my phone?	How would you like to customize your design? Use icons, drawings, or text to plan your design.	Are there any changes that you need to make to your design?
 <p>width, height, depth</p>	<p>Use the back of this page if you need more room to plan.</p>	

Reflect

How might we improve the sound amplification?	How did the feedback process impact your design?
